Return Service Requested

If MassHealth has not been able to renew someone's current coverage using available data in its system, MassHealth mails a renewal form. MassHealth mails the renewal form in a blue envelope to the person in the family who is the Head of Household. This is the person who put their name on the first page of the application as the "casehead" and who signed the original application.

MassHealth also mails the blue envelope to anyone who is an Authorized Representative for the family. This is a person for whom MassHealth has a signed form showing the person is authorized to act for the family. The blue envelope contains a blank Authorized Representative designation form that can be completed and returned with the renewal if the casehead wants to designate someone else to also act for the family.

MassHealth has been using blue envelopes for renewals since the spring of 2022, but the blue envelopes with notices dated April 1, 2023 are different. People receiving them must reply by the deadline or they may lose their current coverage.

We reviewed your information to see if we could automatically renew health coverage for you and members of your household. We are not able to renew the current coverage for your household using the information we have. **You need to act now to renew health coverage for your household. Renewing your household's information online is the only way to get a real-time, automatic decision to see if you still qualify.

What else do you need to know?

Supplement D: Authorized Representative Designation Form

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you MUST submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who lives at home. We will do that automatically.

NOTE: An authorized representative has the authority to act on an applicant's or member's behalf in all matters with MassHealth and the Health Connector and will receive personal information about the applicant or member. Their authority will not extend to the Health Connector's privacy.

You can choose someone

You may choose an authorized representative for yourself or for someone else through programs offered by MassHealth and the Health Connector. If you are unable to sign forms or report changes on their own, it may be necessary to have someone else authorized to act for them in order to complete the renewal. MassHealth mails renewal forms to both the person and their Authorized Representative. If an Authorized Representative received the blue envelope, they don't have to submit the form again.

You are not required to fill out this form.

Who can help me?

- a. An authorized representative can be a person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B.
- b. If, because of a mental or physical condition, you cannot designate an authorized representative in writing, a person (not an organization) who is acting responsibly on your behalf can be your authorized representative if that person certifies, by filling out Section II, that you are not able to provide a written designation, and that he or she is acting responsibly on your behalf.
- c. An authorized representative can also be someone who has been appointed by law to act on your behalf. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person is lawfully representing you.
- d. A person appointed by law to act on behalf of the estate of an applicant or member who has died can also serve as an authorized representative by following the instructions above. An authorized representative under Section III may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the estate's administrator or executor. What this person is authorized

to do for you or for the applicant or member's estate will depend on the wording of the legal appointment.

What can an authorized representative do?

An authorized representative may

- fill out your application or eligibility review forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;
- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector

How does an authorized representative designation end?

If you decide that you no longer want a Section I or Section II authorized representative, you must notify us at the time you want the designation to end by doing the following.

- Mailing a letter notifying us that the designation has ended to
Health Insurance Processing Center
P. O. Box 4405
Taunton, MA 02780;
- Faxing a letter notifying us that the designation has ended to 1-857-323-8300; or
- Calling us at (800) 841-2900. TDD/TTY: 711.

If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a Section II authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.

A Section III authorized representative's designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.

Important: You Must Read and Sign this Renewal Application For MassHealth and Health Connector Applicants

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.
2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.
3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the State deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.
4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, parents obligated to pay for medical support, or individuals obligated to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.
5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.
6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.
7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.
8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.
9. To the extent permitted by law, after notice and an opportunity to appeal, MassHealth may place a lien against any real estate owned by eligible MassHealth members or in which the member has a legal interest, if the individual is receiving long-term care in a nursing facility or other medical institution and MassHealth determines that the member is not reasonably expected to return home. If MassHealth puts a lien against such property and the property is later sold, money from the sale of that property may be used to repay MassHealth for medical services provided.

10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person regardless of age for whom MassHealth helps pay for long-term care in a nursing home or other medical institution, MassHealth will seek money from the eligible person's estate after death for the total cost of care. For more information on estate recovery, visit www.mass.gov/EstateRecovery.
11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household's income or employment, household size, health insurance coverage, health insurance premiums, and immigration status or about changes in any other information on this application and any supplements to it within 10 calendar days of learning of the change. Eligible persons can make changes by calling (800) 841-2900. TDD/TTY: 711. A change in information could affect eligibility for such persons or for persons in their household.

You can also report changes in any of the following ways.

This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.
 13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social Security Administration, the Internal Revenue Service, the Department of Homeland Security, the Department of Revenue, and the Registry of Motor Vehicles, as well as private data sources, including financial institutions, 1) to prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.
 14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.

- I have read the information in this form, or someone read it to me.
- My answers in this form are true and complete to the best of my knowledge.
- I will give DTA information that is true and complete to the best of my knowledge during my interview and in the future.

I understand that:

- giving false or misleading information is fraud,
- misrepresenting or withholding facts to get DTA benefits is fraud,
- fraud is considered an Intentional Program Violation (IPV), and
- if DTA thinks I committed fraud, DTA can pursue civil and criminal penalties against me.

I also understand that:

- DTA will verify the information I give with my application. If any information is false, DTA may deny my benefits.
- I may also be subject to criminal prosecution for providing false information.
- If DTA gets information from a reliable source about a change in my household, my benefit amount may change.

- By signing this form, I give DTA permission to verify my eligibility for benefits, including:
 - Get information from other state or federal agencies, local housing authorities, out-of-state welfare departments, financial institutions, and Equifax Workforce Solutions (the Work Number). I also give these agencies permission to share information about my household's eligibility for benefits with DTA.

- The Woman, Infants and Children (WIC) Program so that any children under age 5 or a pregnant woman in my household can get WIC.
- The United States Citizenship and Immigration Services (USCIS), to verify my immigration status. Information from USCIS may affect my household's eligibility and amount of DTA benefits.

Note: Even if you are not eligible for benefits due to immigration status, DTA will not report you to immigration authorities unless you show DTA a final order of deportation.

- The Department of Revenue (DOR) to verify my eligibility for income-based tax credits, such as Earned Income and Limited Income, and to see if I am eligible for "No Tax Status" or hardship status.
- The Department of Children and Families (DCF) to coordinate services offered jointly by DTA and DCF.

How does DTA use Social Security Numbers (SSNs)?

DTA is allowed to ask for SSNs under The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036) for SNAP and under M.G.L. c. 18 Section 33 for TAFDC and EAEDC. DTA uses SSNs to:

- Check the identity and eligibility of each household member I apply for through data matching programs.
- Monitor compliance with program rules.

Questions? Visit MAhealthconnector.org or call (800) 841-2900. TDD/TTY: 711.

- Collect money if DTA claims I got benefits that I was not eligible for.
- Help law enforcement agencies catch people hiding from the law.

I understand that I do not have to give DTA the SSN of any non-citizen in my household, including myself, who does not want benefits. The income of a non-citizen may count even if the non-citizen does not get benefits.

Right to an Interpreter

I understand that:

- I have a right to a free professional interpreter provided by DTA if I prefer to communicate in a language other than English.
- If I have a DTA hearing, I can ask DTA to give me a free professional interpreter, or if I prefer, I can bring someone to interpret for me. If I need DTA to give me an interpreter for a hearing, I must call the Division of Hearings at least one week before the hearing date.

Right to Register to Vote

I understand that:

- I have the right to register to vote through DTA.
- DTA will help me fill out the voter registration application form if I want help.
- I can fill out the voter registration application form in private.
- Applying to register or declining to register to vote will not affect my DTA benefits.

Employment Opportunities

I agree that DTA may share my name and contact information with employment and training providers, including:

- SNAP Path Work providers or DTA specialists for SNAP clients; and
- Contracted Employment and Training providers or Full Engagement Workers for TAFDC clients.

SNAP clients may voluntarily participate in education and employment training services through the SNAP Path to Work program.

Citizenship Status

I swear that all members of my household applying for DTA benefits are either U.S. citizens, or lawfully residing noncitizens.

Supplemental Nutrition Assistance Program (SNAP)

I understand that:

- DTA manages the SNAP program in Massachusetts.
- When I file an application with DTA (by phone, online, in person, or by mail or fax), DTA has 30 days from the date it got my application to decide if I am eligible.
 - If I am eligible for expedited (emergency) SNAP, DTA has to give me SNAP and make sure I have an Electronic Benefit Transfer (EBT) card within 7 days from the date they got my application.

- I have a right to speak to a DTA supervisor if:
 - DTA says I am not eligible for emergency SNAP benefits, and I disagree.
 - I am eligible for emergency SNAP benefits, but do not get my benefits by the 7th day after I applied for SNAP.
 - I am eligible for emergency SNAP benefits but do not get my EBT card by the 7th day after I applied for SNAP.
- When I get SNAP, I have to meet certain rules. When I am approved for SNAP, DTA will give me a copy of the “Your Right to Know” brochure and the SNAP Program brochure. I will read the brochures or have someone read them to me. If I have any questions or need help reading or understanding this information, I can call DTA at 1-877-382-2363.
- **Telling DTA about changes in my household:**
 - If I am a SNAP Simplified Reporting household, I do not have to report most changes to DTA until the Interim Report or Recertification is due. The only things I have to report sooner are:
 - If my household’s income goes over the gross income threshold (listed on my approval notice).
 - I have to report this by the 10th day of the month after the month my income went over the threshold.
 - If I have to meet the Able-Bodied Adults Without Dependents (ABAWD) Work Rules and my work hours drop below 20 hours per week.
 - If everyone in my household is 60 or older, disabled, or under 18 years old, and no one has earnings from work, the only things I have to report are:
 - If someone starts working, or
 - Someone joins or leaves my household.
 - I have to report these changes by the 10th day of the month after the month of the change.
 - If I get SNAP through Transitional Benefits Alternative (TBA) because my TAFDC stopped, I do not have to report any changes to DTA for the 5 months that I get TBA.
 - If I get SNAP through Bay State CAP, I do not have to report any changes to DTA.

If I and everyone in my household gets cash assistance (TAFDC or EAEDC), I must report certain changes to DTA within 10 days of the change. See **When do I need to tell DTA about changes in my household?** under **Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC)** below.

I may get more SNAP benefits if I report and give DTA proofs for the following, at any time:

- Child or other dependent care costs, shelter costs, and/or utility costs;
- Child support that I (or someone in my household) is legally required to pay to a non-household member; and
- Medical costs for members of my household, including myself, who are 60 or older or disabled.

Work rules for SNAP clients: If you get SNAP benefits and are between the ages of 16 and 59 you may need to meet general SNAP work rules or the ABAWD work rules unless you are exempt. DTA will tell me and members of my household if we need to meet any Work Rules, what the exemptions are, and what will happen if we do not meet the rules.

If you are under the SNAP Work Rules, you must:

- Register for work at application and when you recertify for SNAP. You register when you sign the SNAP application or recertification form.
- Give DTA information about your employment status when DTA asks.
- Report to an employer if referred by DTA.
- Accept a job offer (unless you have a good reason not to).
- Not quit a job of more than 30 hours a week without a good reason.
- Cut your work hours to less than 30 hours a week without a good reason.

Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC)

TAFDC and EAEDC are cash assistance programs. To learn more and to apply, visit DTAConnect.com or call your local DTA office. This information only applies to households who are applying for or get TAFDC or EAEDC.

When do I need to tell DTA about changes in my household?

I must tell DTA about changes that could affect my TAFDC or EAEDC (cash benefits) **within 10 days**, except that I do not have to tell DTA about a change in my earnings of less than \$100 per month. This includes changes in my income, assets, address, who I live with, family size, work, and health insurance.

How do I get health insurance?

- If I get TAFDC or EAEDC, I will get MassHealth too.
- If I am denied TAFDC or EAEDC, MassHealth will use my information to see if I am eligible for health insurance.
- If my EAEDC stops, I need to apply for MassHealth separately. To ask for an application call (800) 841-2900.

If I get MassHealth, I agree that MassHealth may collect:

- money owed to me from another source for my medical care, and
- medical support from the absent parent of any child under age 19 who gets MassHealth benefits.

Are there special rules if I am eligible only because of an accident or injury?

If my family gets benefits from MassHealth or DTA because of an accident or injury, I must use any money I get for the accident or injury to pay them back. The money could be from an insurance policy, a settlement, or any other source. This applies even if I do not know what the possible sources of money are yet.

I agree to cooperate with MassHealth and DTA by:

- Filing claims for money from other sources.
- Telling MassHealth and DTA right away about any insurance claim, lawsuit, or other process to get money.
- Giving MassHealth and DTA new information when I get it.

If I don't cooperate, MassHealth and DTA may stop or deny my benefits. I agree that MassHealth and DTA may:

- Share information about my benefits in order to collect money to repay those benefits.

See all records about money I might get due to the accident or injury, such as records at the Department of Industrial Accidents.

If I am getting EAEDC because I have a disability or I am over 65 years old, I have to apply for federal Supplemental Security Income (SSI) benefits. If I am approved for SSI benefits that cover the same time that I got EAEDC, the Social Security Administration will send some of my retroactive SSI to DTA to repay the EAEDC.
